Meeting Minutes

Accept Minutes from the June 13th Meeting: Meeting began at 12:03pm with the approval of the June minutes.

Faculty Burnout from AACP: Faculty burnout discussion led by Dr. Sando. Dr. Sando presented a summary of a session on this topic held at the AACP annual meeting. Dr. Beck spoke about a stress survey that was conducted in the College several years ago. Some ideas to address burnout that were discussed include seminars/workshop series for faculty development/awareness and plan social activities for faculty in the COP to alleviate stress. Plan is for Dr. Segal to convene a small group to address faculty burnout and determine next steps for immediate and long-term plan/goals in this area. Dr. Segal solicited faculty recommendations for this small group.

Strategic Plan Workgroup: Dr. Beck provided a summary and update on the work of the education strategic plan taskforce, reviewing 5-year objectives and the plan to reconvene the taskforce in late Fall. The timeline for implementation is late Fall/early Spring. Dr. Beck will provide another update to FGC next year.

Selection of Vice-Chair: Discussed the selection of vice chair. Dr. Weitzel nominated Dr. Sando who expressed interest but said she would give it thought and let the Chair know within next week.
