Guests:

- ✚ **Accept Minutes:** Meeting was opened at 11:05am in room 4307 with the minutes from the May 8, 2008 GSC meeting being approved as recorded.
- ✚ **TA's for Fall:** Please forward to Debbie as soon as possible each department's TA needs for the Fall. The HHMI course is also requesting a TA. After the needs of the College have been met a TA will then be assigned to the HHMI course, if available.
- ✚ **Graduate Program Review:** Dr. Millard informed the committee that the final report has been sent to the Provost's Office and then on to the Board of Governors. A full copy of the report is also available on the College's website. Dr. Millard mentioned that he would like to schedule a one-day retreat in the next year to go over the wrap up of the review with the college.
- ✚ **New MS Program in Pharmaceutical Chemistry:** Dr. Tebbett brought forth a proposal to the committee for approval a new major within the MS programs. The details of this new program are outlined in the [attachment](#). The committee voted and unanimously approved this new program. Dr. Millard also mentioned to the committee that maybe having more programs such as this one would be great for the departments and college as a way of generating revenue.

Meeting adjourned at 11:50am
