- ✚ **Accept Minutes:** Although the minutes were not included in the agenda packet an email had been sent on July 9 to the members to review the minutes on the website. There were no additional comments or feedback generated from that email. Minutes were approved as recorded.
- ✚ **TA Assignments for Fall:** TA assignments were discussed and a few changes needed to be made in order to appropriately cover all the courses. Once final changes have been made Debbie will send out the file for final approval from all members and then the TA letters will be sent out to the students
- ✚ **Additional Discussion:** Dr. Tebbett brought to the committee the idea of starting an Educational Center that would house any future on-line Masters Program that does not generally fit in to a specific department with the College. At this time Dr. Tebbett, in collaboration with Dr. Brushwood, are in the beginning phases in establishing the Center, and wanted to get early feedback from the committee before proceeding further. The general consensus of the committee was in favor of such a Center. The GSC will be part of future discussions of this center.
- ✚ **Next meeting is August 19, 2-3pm in room 4307.**
