The link for pharmacy students to apply for an internship is below: http://jobs.cvshealth.com/article/pharmacy-interns. You can also go to CVSHealth.com, careers, pharmacy interns and then Retail Pharmacy Internships.

Retail Pharmacy Internships

Our success as the nation’s leading integrated health care provider and our impact on the community depend on our pharmacy team. We seek the best and brightest pharmacy students to help our patients on their path to better health.

Our Retail Pharmacy Internship Program, called ExperienceRx™, is structured to develop your professional skills in an environment where you will be exposed to all aspects of community pharmacy. You will be allowed to reinforce classroom knowledge through experience-centric learning and this synergistic approach will prepare you, a future Pharmacist, to fulfill the needs of patients within their communities. ExperienceRx™ was designed to enhance your clinical, managerial and leadership skills so that together, we can reinvent pharmacy.

CVS/pharmacy is dedicated to supporting and educating you to ensure your success in our practice setting and beyond.
