HAPPY HALLOWEEN...
Make course registration a ‘TREAT,’ not a ‘TRICK’!

Registration for spring 2012 CORE (REQUIRED) courses begins November 1st, 2011 at 7:00 p.m.

Take a moment and review the Curriculum to see what you need for SPRING!

All students are responsible for registering themselves for CORE spring courses, including APPE ROTATIONS! APPE section numbers are available on the website.

All four campuses will post campus-specific section numbers to the website later this week.

Please make sure all holds are cleared from your record!

IPDs: If you have never registered yourself before, please take advantage of the ISIS Tutorial.

You must use your GatorLink ID and password to register. If you have forgotten your GatorLink password, call the UF Computing Help Desk at (352) 392-4357.
